Interdisciplinary Journal of Management and Social Sciences (IJMSS) is a blind peer reviewed open access biannual research journal published by the Research Management Cell (RMC) of Saraswati Multiple Campus. We are immensely honored to present our Vol. 2, No. 2 of the Journal. This volume provides the readership with scholarly articles on various topics. It appears both in online and print, and is indexed in Nepal Journals Online (NepJOL). IJMSS provides a forum for the publication of scholarly articles on various disciplines. The Board of Editors announces for the blind submission of research papers from scholars and researchers in and outside the Campus. They use APA and MLA documentation system as per the convention. After a rigorous peer review from the experts of the discipline and the writers' improvement of the article based on the review report, the board provides them the space in the journal.
