## **Editorial Notes**

The Research Management Cell (RMC) of Saraswati Multiple Campus publishes the Vol 2, No.2 of Interdisciplinary Journal of Management and Social Sciences (IJMSS), a blind peer reviewed biannual research journal. We are incredibly delighted to announce the Journal's Vol. 3, No.1. The readership will find scholarly papers on a spectrum of topics in this volume. It is indexed in Nepal Journals Online and is available both online and in print (NepJOL). It serves as a venue for the publication of scholarly articles from a variety of fields. The Board of Editors invites scholars and researchers from both inside and outside the Campus to submit research articles anonymously. According to tradition, they employ the APA and MLA documentation systems. The board grants them space in the journal after a rigorous peer review by discipline specialists and the writers' improvement of the paper based on the review report.

Thank You.
