Editorial Notes

The Interdisciplinary Journal of Management and Social Sciences (IJMSS), a biannual research journal with blind peer review, is published by the Research Management Cell (RMC) of Saraswati Multiple Campus in Volume 3, Number 1. We are ecstatic to announce Vol. 3, No. 2 of the Journal. In this volume, the reader will find scholarly papers on a variety of subjects. It is accessible both online and in print and is indexed in Nepal Journals Online (NepJOL). It acts as a place for the dissemination of academic publications on various subjects. The Board of Editors invites academics and researchers from inside and outside the campus to anonymously submit research articles. They follow custom and use the APA and MLA citation styles. The board approves their publication in the journal following a thorough peer review by subject-matter experts and the writers' revision of the manuscript in light of the review report.

Thank You.
